# Payroll Services

## Our service

Our proven service encompasses not only the paying of your workers but also the managing them in and out of your organisation.

Our easyP Payroll only service will minimise risk, reduce operating costs, and improve your WHS compliance.

## easyP is comprised of three factors:

1. a dedicated Consultant care program,
2. the use of industry leading cloud-based systems, and
3. quality assured finance and back office teams.

All of which come together to give you the peace of mind you need that you are in the best hands.

## Solutions

We offer an option for all our clients; this can be a full end to end payroll function or any of the individual options including:

- Onboarding / Offboarding of workers
- Compliance and background checks
- Payroll function
- WHS inspections
